

Dumaguete

Philippines – July 1-8, 2023

The Resort

Atlantis Dumaguete has become the epicenter of diving in the Dumaguete area due to the immense biodiversity and world class macro photography. Popular Whale Shark day trip is one of the guest favorite. It provides a rare opportunity to see with these gentle giants.

The people of the Philippines are absolutely the most gracious and caring people we have met. Come be pampered and loved!!!

The Diving

See animals and fish you will never experience in the Caribbean. Giant pink coral fans are home to tiny pigmy seahorses, anemones are home to fish like Nemo, and more nudibranchs than you could possibly imagine. You will also see turtles, sharks and a wide verity of fish. Absolutely stunning diving.
